RE: NWEA Testing | November 2nd through 6th

Dear Parents,

Please be advised that the testing dates for the NWEA (Northwest Evaluation Association) have changed to November 2nd through November 6th. This change has been made to ensure that all students have the required software on their electronic devices for testing. We will provide on-site and virtual assistance to Parents ensuring that all updates are processed accurately on student devices. We will provide further details regarding how to update your children's electronic devices, in addition to a step by step guide once we receive further instructions from NWEA. We apologize for any inconveniences this may have caused.

Should you have any questions or concerns, please do not hesitate to contact us at support@rhemaschool.org.

Sincerely,

Administration
Rhema Word Christian Academy
